EARLY LOGO LEARNING FUN

EDUCATION

SOLID STATE CARTRIDGE

This cartridge is designed to work only with the TI-99/4A Home Computer.

Delightful TI LOGO activities prepare the three to seven
year old child for the exciting world of programming.

Quick Reference Guide

This Solid State Cartridge is designed to be used only with the Texas Instruments TI-99/4A Home Computer. Important keystroke sequences are summarized here for your quick reference.

| Press	Action
ENTER	Indicates you have completed the word or letter that you have typed.
Q	Stops an activity; a question mark (?) appears beside the cursor, allowing you to change activities.
FCTN 3 (ERASE)	Erases an entry.
FCTN = (QUIT)	Returns to the master title screen.

Note: Before beginning any session with the Early LOGO Learning Fun cartridge, be sure that the **ALPHA LOCK** key is in the on (down) position.
